Nature of Complaint:

Docket No. W-01445A-11-0310

I see no need for an increase in water fees at this time. The increase is probably due to the inclusion of Saddlebrooke Ranch in our system. This should never have been allowed in the first place. We will end up paying for water collection tank for Saddlebrooke which has just been completed. The increase in revenues should be made up from new housing. If builders and people wanting to locate in this area cannot afford the fees and costs, let them go elsewhere. We are in need of new homes and new residents at this time, and Florida is a wonderful place to retire.
